Head Teacher Message

May 2024 - Issue 12

Mrs Marshall - Head Teacher

The summer term is flying by! We have had lots of exciting learning already happening at INIS. The children in Reception absolutely loved seeing the eggs hatch and grow into fluffy chicks! the chicks have now gone to happy homes with the sustainable company we use. We hope that your children told you all about them!

Goodbye Miss Knibb

This week we are saying goodbye to Miss Knibb in our Nursery. She has worked with us for over twelve years. She is an excellent Early Years Practitioner who will be missed. We wish her well in her new adventures as she moves to Wales. It is just that little bit far to commute!!

We will miss her but she will be forever part of our INIS family.

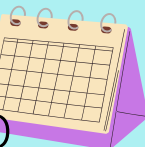

Mrs Willis, will be joining our Nursery team sometime after the half term holiday, once we have secured additional high quality support for Leopard Class. In the meantime there may be some temporary cover in both Nursery and Leopard Class. Our Reception and Nursery will ensure there is a smooth transition for the children.

We look forward to welcoming Mrs Willis to our Nursery team.

[Click here for a full calendar of date](#)

Upcoming Dates

13th May - Reception trip to Hamerton Zoo

17th May - Irchester Park art event involving our children's work.

20th May - Year Two trip to Twycross Zoo

20th - 24th May - Walk to school week

24th May - Last day of term

Reception Class assemblies

Parents are welcome to join us and see what their child has been learning in our Reception class assemblies.

7th June - 9am Monkey Class assembly

7th June - 2.30pm Leopard Class assembly

12th June - 9am Llama Class assembly

These assemblies will be about 20 minutes long. It will be fantastic to see parents, carers and grandparents joining us to watch.

May 2024 - Issue 12

Walk to school week - 20th May

We will be promoting the national walk to school week starting on 20th May. We know that it is not possible for every child to walk to school everyday but this week please think about how you can walk either the whole way or a longer distance than usual if you have to drive or catch the bus. We will be asking children to add to a class chart to let us know if they have walked to school. The parking around our school is way too busy and often dangerous at drop off and pick up time. It is healthier and better for the planet to drive less, so lets all make a conscious effort for the week beginning 20th May! You child will receive a certificate if they walk to school (or a large part of the journey) every day for the week!

Come and join us in our mission to become a healthy school. You will hear more over the weeks about The Healthy Schools Award which we are trying to achieve.

So maybe you could consider your child's lunch box, ensuring it is super healthy with fruit and vegetables in it and as we recommend, only send water into school for your child, which can easily be topped up at school.

Spare clothes request!

If you have any clothes that your child has grown out of we would appreciate donations, especially boys and girls underwear, socks, trousers/shorts and dresses.

We are also looking for any toy cars for children to play with at playtimes!

If you have a concern or have seen any Safeguarding issues that you are worried about, Mrs Marshall is the school's Designated Safeguarding Lead and here are her safeguarding deputies, who are always ready to listen.

Please ask at the office to speak to them in confidence or call 01933 654900.

Mrs Parsons-Moore

Mrs Marshall

Mrs Luke

Mrs Cummins

Miss Ratcliffe

Mrs Richardson

If you have any safeguarding concerns during the holidays or weekends, please contact the local authority on 0300 126 7000 or phone 999, if you feel the child is in immediate harm.

Interesting Event

Our Year Two Children were involved in a digital art project which is going to be shared in an event at Irchester Country Park on Friday 17th May.

The event will be powered by bikes and you will have the chance to spot the children's stop frame animation, which was amazing!! It will be a cinema screening of our children's work and that of other schools in the local area.

Nursery places available for September 2024

Our Nursery School provides a fun, caring and safe environment for your child as they begin their learning journey.

For more information about our nursery, or to arrange a visit, please follow the link above or call us on 01933 654900, we will be happy to help.

A great place to start your child's journey...

Reception Places Available September 2024

Our caring and committed team provide a welcoming and nurturing setting where children feel safe, happy and are keen to learn.

If you are moving to the area, changing schools or have yet to apply for your child's school place and would like to learn more about our school, please **contact us on 01933 654900.**

We are very proud of the special place in which we work, with such amazing children and their families.

We have spaces this year in both our Nursery and Reception classes at the moment so please share with local friends and family, who have children aged three by August 31st 2024 or aged four by the same date.

We look forward to meeting you!

We specialise in getting children ready for school and their lifelong love of learning, with highly trained teachers, expert support staff and a wonderful, safe environment for children to thrive both inside and out.

Come and join the INIS family!

Please contact the school on 01933 654900, if you would like to come and look around or check out our website.

To enquire further about nursery places phone the main school number or to get a place in our fantastic Reception classes click on this link to apply through the local authority. [School Places](#)
